II. Read the following passage and choose the best answer for each of the questions below. (1.0m)

ENGLAND

England is a country in the UK (The United Kingdom located in Western Europe is made up of England, Scotland, Wales, and Northern Ireland) and occupies most of the southern two thirds of Great Britain (Great Britain consists of England, Scotland and Wales). England contains about 84% of the UK population. England is the largest country in the UK. The total area of England is 130.410 sq km (50,352 sq miles), equivalent to 57 percent of the area of Great Britain. The capital, seat of government, and the largest city in the United Kingdom is London. London is also the capital of England.

English is the official language of the UK and the first language of the vast majority of the population. Britain is an island country and the surrounding sea gives England a varied climate, a changeable weather. We never know what the weather will be like from one day to the other.

Religion has always played an important part in life in Britain though perhaps less today than in the past. The people are overwhelmingly Christian. There has been an increase in other faiths (Religions) e.g. Islam (Muslims), Hinduism, Buddhism.

The unit of British currency is the pound sterling: 1 pound = 100 pence (p). there are 1p, 2p, 5p, 10p, 20p, 50p; 1; 2 coins. Banknotes are issued in 5; 10; 20; 50 denominations.

1. Where is England located?
A. Europe B. Western Europe C. Southern Europe D. Northern Europe
2. Which of the following sentences is NOT true according to the reading passage?
A. England is one country in the United Kingdom.
B. England is one country in Great Britain.
